Tributes

An Eternal Memory
... Until We Meet Again
Those special memories of you
will always bring a smile
if only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too
The fact that you're no longer here
will always cause me pain
but you're forever in my heart
until we meet again

Your sister,

Brandie

A special dad is hard to find, you dad
I'm keeping in my mind, I wished you
could have stayed forever, But I will
never forget you oh not ever. If
dreams weren't dreams and dreams
came true, I wouldn't be here I'd be
with you. Distance is one thing that
keeps us apart, But dad you will
always remain in my heart. A special
smile, a special face, a special
someone I can't replace, I love you
and I always will, You filled a space
that no one will ever replace.

Your children,

*Jaiden
Jazelle
Jelia*
