In Loving Memory of

So I take pleasure in weaknesses, in insults, in times of need, in persecutions and difficulties, for Christ. For when I am weak, then I am powerful.

Obituary Shaunt"e Keshaun Ramos

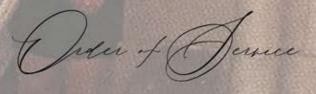

June 6th 1977 - April 28th 2022

Shaunt "e Keshaun Ramos was born on June 6th 1977 to Brenda Faye Dobbins and William Anderson the third in Little Rock, Arkansas. He was the firstborn of three children.

Shaunt"e finished his schooling and instantly became a professional class A CDL truck driver in Arkansas before relocating to Detroit Michigan. He was excellent at his occupation and was in high demand. His assignments took him all around the globe. He hauled everything from A-Z and more. He was a great listener, an awesome provider, highly intelligent, industrious, assertive, spoke his mind, very generous, loving, kind-hearted, meek, gentle and humble. Not long after relocating to Detroit he met his darling true love Rhonda it was love at first sight. They finally married on July 8th 2003. They raised two wonderful children together. He loved his family and friends and did everything he could to keep a smile on their faces.

He loved playing basketball, cooking, grilling, spending time with his family, nature, cracking jokes and the color red. His goals were to start his own trucking corporation, buy a few mansions, retire by the time he was 30 and vacation around the world. All that came to a halt when he decided to finally accompany his wife to the Kingdom Hall of Jehovah's Witnesses to find out why she was coming home extra joyful! He liked the environment so much he began to attend regularly. He made many lasting friendships and there was no one that met him that did not become very fond of him. He eventually started the study of God's word the Bible with brother James Davis who became a great spiritual father and mentor to him. Shaunt found joy in learning Bible truths. Despite his impressive skill set; His love for Jehovah and his promises assisted him in making the decision not to pursue his material goals. He dedicated his life to Jehovah on June 9th 2018. Regardless of his chronic health limitations he never stopped talking to others about his God Jehovah. Learning about Jehovah gave him hope, courage, strength, faith and integrity to never give up!!

Shaunt"e leaves to mourn his tremendous loss and cherish his precious memories: his loving and devoted wife of 18 years, Rhonda Ramos; wonderful and stunning mom, Brenda Faye Dobbins (Rick); incredible children, Alisha & Damont'e C. Ramos; fascinating grandchildren, Aaliyah & Darrius Jr.; amazing siblings, Felicia &William (Kim); adoring aunts Keisha, Kim, Tammy; awesome uncles, Maurice &Rodney; and a host of other relatives and friends.

SENTIMENTS OF LOVE

It was such an honor to carry your name, I miss your smile, your voice, your laugh, your gentle touch, and your jokes. I miss you next to me holding my hand until your hand hurts. You were so brilliant, courageous and kind, you always let me know I stayed in your mind. The years we shared traveling the roads were phenomenal. But the years we shared serving Jehovah were some of the best times of my life. You loved me in word and deed. You were spiritual, loyal, loving, patient and definitely a keeper. You were so strong and never gave up, the way you loved Jehovah made me love you deeper. Our bond of love was immeasurable, special and unique. With the threefold cord none could defeat!! You were always my joy, my best friend, my shoulder to cry on and my laughter. In the paradise around the corner we will always live happily ever after. Psalm 34:10 those seeking Jehovah will lack nothing good.

(I LOVE YOU MY BEAUTIFUL HUSBAND) RHONDA RAMOS

I'm so grateful I had the privilege to be a part of this special man's life. He was always a great support system along with my mom. He motivated and encouraged me and wouldn't let anyone play about his daughter!! He was the best father to me and my brother and treated us so well while working his fingers to the Bone to provide for us. He was a hard worker driving those great big huge 18-wheelers through any type of weather and always came home safe to us. I used to say to myself "wow how does he do that." It breaks my heart that I can't give him anymore hugs and kisses. I love him to the deepest part of me and he will be forever missed. Please cherish the days you have with your loved ones because you never know when it will be there last. He leaves us with so many memories and laughs that will comfort us in the times ahead.

Your loving daughter, Alisha
